A note from the president after the meeting:

Please if you are given the follow up on something please report back to the club with it. If you are not assigned to the follow up, please do not reach out on your own as it is not fair for the person doing the follow up and when the person who is providing the information responds "I already gave this information to this person in your club already". It gives an impression to others we are not organized very well. Thank you for the understanding.

Next meeting is February 6, 2023.

Motion to adjourn Lion Mike Stone and 2nd Lion Rebecca Anderson
Respectfully

Lion President
Mike Stone
And Lion Rebecca Anderson
